

UKRAINE AID ORGANIZATIONS

Ukrainian Red Cross | <https://donate.redcrossredcrescent.org>

- Provide front line medical support to those injured during Russia’s invasion.
- The Ukrainian Red Cross is currently assisting people inside the country by aiding evacuations and providing shelter, food and basic necessities.
- Helps to run and manage humanitarian corridors out of zones of conflict.
- When possible, deliver humanitarian aid such as food, medicine, and temporary shelters to those within conflict areas.

Receives funding from individual donations and from grants provided by governments and intergovernmental organizations. Donations are collected [here](#).

International Rescue Committee (IRC) | www.rescue.org

The International Rescue Committee (IRC) responds to the world’s worst humanitarian crises and helps people to survive and rebuild their lives. Find out how you can help the IRC offer lifesaving care and life-changing assistance to refugees forced to flee from war or disaster.

Mercy Corps | mercycorps.org

- Mercy Corps is on the ground in Ukraine, Romania, and Poland, providing funding to local organizations that know their community needs best and working to meet urgent humanitarian needs.
- They are connecting people on the move with information, such as where to access basic services, information on safe routes, and their legal rights.
- Mercy Corps is providing emergency cash assistance to Ukrainian refugees to meet their urgent needs in transit - likely through Romania, Poland, and Moldova.
 - They hope to provide emergency cash inside of Ukraine, which will depend on the stability and accessibility of local markets as well as cash liquidity.
- Local organizations Mercy Corps is supporting are distributing items like medical supplies and food staples, including into eastern Ukraine, and supporting marginalized groups like third-country nationals crossing into neighboring countries.
- **Mercy Corps provided humanitarian assistance in Ukraine following the 2014 conflict, helping over 200,000 people with emergency cash, food, water, and sanitation supplies.**

No funding information available currently. Donations are being collected using the following link: [Crisis in Ukraine: Give now | Mercy Corps](#)

For more information, please visit [Quick facts: The crisis in Ukraine | Mercy Corps](#) and use the hyperlink “What Is Mercy Corps Doing to Help?”

International Medical Corps | internationalmedicalcorps.org

- Working directly and in partnership local organizations to increase access to medical supplies and services, mental health and psychosocial support (MHPSS), clean water and sanitation, and protecting services for those displaced, as well as for those living in areas affected by war.
- Working with the Ukraine Ministry of Health to provide a wide variety of training to health staff and first responders, including critical infection prevention and control and psychological first aid training.
- Supplying hygiene materials and rapid antigen tests, install handwashing stations and promote good hygiene practices.

No funding information currently available at this time. Donations collected [here](#).

Médecins Sans Frontières | doctorswithoutborders.org

- Rushing over 225 metric tons of emergency medical supplies to Ukraine.
- Donating supplies to hospitals in Kyiv, Odesa, Zhytomyr, Cherniv, Bilal Tserkva, Fastiv, Mykolaiv, Dnipro, Zaporizhzhia, Pokrovsk, and Kramatorsk to treat war-wounded and deal with mass casualty incidents (a large number of patients arriving at the same time).
- Training hospitals to deal with mass casualty incidents and to treat war wounds.
- Providing training to health centers in the periphery around Kyiv on supporting people with chronic diseases and other non-trauma medical needs.
- Establishing a telephone hotline in Kyiv to help people with non-communicable diseases get medication delivered at home.
- In Odesa, an MSF anesthetist/resuscitator is providing training to general practitioners and nurses.
- Providing patient care on board a medical train.
- Providing medical care via mobile clinics.
- Providing support in Lviv to one of the larger hospitals to run its burns unit.
- Providing basic and mental healthcare.
- Donating cold weather items in Lviv to civil society organizations supporting displaced people and refugees.
- Sending experienced emergency and specialist medical staff.
- Supporting hospitals and doctors remotely.

No funding information available at this time. Donations collected [here](#).

UNICEF | unicefusa.org

- Ramping up efforts to meet critical and escalating needs for safe water, health care, education and protection.
- Providing vital humanitarian supplies. On 5 March, the first batch of humanitarian supplies arrived in western Ukraine, from UNICEF's Global Supply and Logistics Hub in Copenhagen, including personal protective equipment to protect health workers from COVID-19 as they respond to the critical health needs of children and families, as well as desperately needed medical supplies, including medicine and first aid kits.
- Working with municipalities to ensure that there is immediate help for children and families in need.
- Supporting mobile teams providing child protection services and psychosocial care to children traumatized by the chronic insecurity.
- Continuing emergency response efforts to address the COVID-19 outbreak, including by working with municipalities to increase COVID-19 vaccination rates, and by strengthening awareness-raising and capacity-building efforts.

No funding information available at this time. Donations collected [here](#).

Project HOPE | projecthope.org

- Project HOPE is sending over two tons of essential medical supplies and medicine to help Ukrainian refugees in Poland, Romania, and Moldova
- They are working to help children with disabilities and medical conditions to receive the care they need in hastily constructed refugee camps
- Providing mental health assistance to those fleeing violence and expanding its programmatic footprint inside Ukraine

- Aiding in the coordination and distribution of over 100 pallets of medicine and medical supplies including hygiene kits, needles, Interagency Emergency Health Kits (IEHKs), insulin, daily medicine, and more in Lviv for onward distribution westward to hospitals in need
- Identifying hospitals and schools in the Kharkiv area for rehabilitation

Project HOPE is currently organizing drives to send this much needed medical support as the number of refugees from Ukraine grow in neighboring countries. No specific goals or numbers available. Donations collected [here](#).

Keystone Moldova

- Providing food to children and disabled Ukrainians fleeing to Moldova.
- Working to reunite separated children with their families.
- Ensuring efforts to support Ukrainian refugees includes and aids those with intellectual disabilities.

Currently the organization is working to raise funds to provide consistent food for over 700 individuals under their purview. No specific dollar amounts available. Donations collected [here](#).

World Central Kitchen | wck.org

- Provides food and other humanitarian to civilians stuck within disaster-struck areas of Ukraine and along its border.
- Deploys volunteer chefs directly to disaster areas to provide high quality hot meals to those in need.
- World Central Kitchen has provided hundreds of thousands of meals to Ukrainian refugees and civilians trapped in war torn regions.

Receives funding from individual donors and is sponsored by chefs from around the world who donate their time to provide meals to Ukrainians. You can donate [here](#).

Ukrainian Freedom Fund | ukrfreedomfund.org

- Provide personal protective kits to Ukrainian defenders.
- Provide vehicles for Ukrainian defenders to use as ambulances, supply shuttles, and reliable transport.
- Provide medical aid and surgical tools to Ukrainian defenders.

UFF's mission is to support a free, independent, and democratic Ukraine. This is achieved through [donations](#) from people all over the world who care about freedom, prosperity, and the preservation of human dignity.

Ukrainian World Congress | www.ukrainianworldcongress.org

Organization does not offer the level of fidelity on where money is spent of other organizations. Its stated priorities include:

- Support Ukraine
- End Russian Aggression
- Strengthen Our Communities

Donations can be made [here](#).

Stronger Than Ever | www.strongerthenever.com

No clear information on expenditures, previously did business as Rebuild Puerto Rico which provided relief for Puerto Rico after Hurricane Maria, including constructing 100 homes.

Charm Foundation - Children Are Magical | childrenaremagical.org

Ukrainian Medical Mission: Many refugees fleeing Ukraine are children and have injuries or are ill and need basic care. Your donation will go toward much needed medical supplies- antibiotics for adults and kids, wound care kits, bandages, dressing, splints, slings, batteries and other medical equipment we will be bringing with us and purchasing more upon arrival to Przemysl, the Ukrainian/Polish border.

Donations collected [here](#).

IsraAID | www.israaid.org

IsraAID is a non-governmental international humanitarian aid organization based in Israel. Founded in 2001, we've worked in emergency and long-term development settings in more than 50 countries. We go wherever we're needed for as long as it takes.

Committee for Open Democracy | committeeforopendemocracy.org

We are a team of American and Ukrainian experts with 20+ years working together in democratic reform in Ukraine. Together, we launched “**Operation Palyanytsya**” and we are putting everything we have into immediate humanitarian action.

Donations collected [here](#).

Spirit of America | spiritofamerica.org

Spirit of America is working closely with US military and State Department personnel in Poland to meet the urgent needs of Ukraine's Armed Forces on the front lines. We are providing medical supplies and equipment, including first aid kits, for Ukrainian soldiers and field medical personnel. We expect to provide emergency communications gear. We are also working with US Special Operations Forces to provide emergency assistance to Ukrainians displaced by the fighting.

Operation Ukraine Relief | ukrainerelief.com

Operation Ukraine Relief is a project of Cross Border Civilians Foundation. The project delivers direct aid to civilians who are in, or evacuating from, the conflict zone of Ukraine. Our non-profit started with a group of industry leaders and former military personnel who have come together to provide rapid aid to civilians in need during the Ukraine crisis. The team works to ensure that the generous gifts of our donors get where it needs to be in the conflict zone – an often dangerous task that requires a combination of ground experience and logistical support.
